	Nick_Steffens Nick Steffens @Redistrict2012 maps out. Senate puts all of Parkland in Jim Waldman's district. What will J. Moskowitz do? #sayfie (cc: @browardpolitics) 6 Dec	
	Nick_Steffens Nick Steffens Don't know a lot about Palm Beach but Slosberg, Hager and Berman all seem to be in same district in @Redistrict2012 maps. 6 Dec	
	Nick_Steffens Nick Steffens Initial thoughts on @Redistrict2012 maps for Broward House: Reed, Rogers, Thurston safe. Reinstein v. Edwards for 98. 6 Dec

	NicholasCStone Nicholas Stone I signed the @FFYR petition in support of the @redistrict2012 maps! RT if you support the maps & believe they are fair! 6 Dec	
	Nick_Steffens Nick Steffens If @Redistrict2012 is committed to #FairDistricts then there will be a district of just Weston and Davie. Doubt it. #sayfie 5 Dec	
	Nick_Steffens Nick Steffens There are four very nervous people tonight in West Broward waiting to hear from @Redistrict2012 on fate of Districts 97 and 98. #sayfie 5 Dec

Tomorrow, @Redistrict2012 release their State House maps. Should be interesting. Of course, I'll break it down. #sayfie

@FLRedistricting @MyFLHouse @Redistrict2012 Public input evident in 1st set of Congressional lines. Can't wait to see House version. #sayfie

@Redistrict2012 Congressional #redistricting #map cuts #Gainesville #FL in half to disenfranchise student & minority vote? #pfla #FLleg #p2

@Redistrict2012 I fully support maps drawn by senate staff for state senate districts in Northwest Florida.

@Redistrict2012 The redistricting in district 6 will fully represent the constituents in the district.

@Redistrict2012 as a Hillsborough county resident I like what you did with the s000s9004 redistricting map

@Redistrict2012 Thanks - that helps, but doesn't explain why you chose the maps you did or impact of public comments at meeting.

AARPJeff Jeff Johnson

@Redistrict2012 Is there an explanation of how all the public input was factored into the proposed maps?

SunStatement: Tweet @Redistrict2012 because what they've come up with simply won't do. First district plan is a mess.

My tweets today on #FIRedistricting were both nerdy and awesome. Still believe @Redistrict2012 are horrible people. #sayfie

Check out Florida Senate's redistricting maps at flsenate.gov/Session/Redist... and send comments to redistrictflorida@flsenate.gov or @Redistrict2012

Hey, @redistrict2012 -- you know your redistricting plan is stupid & not what over 60% of us voted for, right? I'm a DOG and I know better!

29 Nov

Nick_Steffens Nick Steffens

@BarackObama got >50% of the vote in just 11 of the 27 new CDs proposed by @Redistrict2012. Again, he received 51% of the vote. #sayfie

29 Nov

Nick_Steffens Nick Steffens

@BarackObama would have only won 15 of 40 Senate seats drawn by @Redistrict2012 (and some of them by less than 1%). #sayfie (cc: @OFA_FL)

29 Nov

Nick_Steffens Nick Steffens

Define gerrymander: Draw districts so candidate who received <50% would win in 2/3 of seats. @Redistrict2012, you are awful. #sayfie #p2

@Redistrict2012 This is not what the FL Cons. now demands. No way a state with 500k more Dems shud have more Rep seats. Against the law.

28 Nov

@Redistrict2012 And you still drew them the same way as b4, to advantage the #Florida #GOP, subverting the intent of the Constit. Amdmts.

I'm glad @FlaDems are upset now about @Redistrict2012 and @FloridaSenate maps, but how great would it have been if we had a map of our own?

@Redistrict2012 I live in Orlando. Why am I still in the same district with people in Jacksonville? This is insanity.

@Redistrict2012 Please do not put Eustis and Grand Island into FL26's proposed CD. We are nothing like the Villages.
